MUSTANG

1965- 66

FOREWORD

HARVEY BROOKS
EDITOR

We of the annual staff have worked continually during the past months so that we might have a yearbook composed of the wonderful memories of dear old MHS of 1965-66. We hope this yearbook will be a cherished one in future years and that you will open it often and as you turn the pages, recall these wonderful, never-to-be-regained schooldays.

DEDICATION

We, the annual staff, wish to dedicate the 1966 MUSTANG to Coach Bryan Williams. We feel this honor belongs to him because of his outstanding work with the football team, as well as for the friendly, helpful attitude which he accords to all. Even through times of defeat, his fine spirit of sportsmanship has never faltered.

MR. L. R. LANEY
Principal

A highly esteemed figure on the MHS campus is our principal, Mr. Laney. Students and teachers alike appreciate his kindness, his sense of humor, and his cooperation. He makes school days more pleasant for everyone.

MR. WENDELL BROWN
County Supt. of Education

We appreciate Mr. Wendell Brown for the fine job he's doing as our County Superintendent of Education. It's wonderful to have people who are always there "when you need them."

MR. R. V. MARLIN
Ass't. Principal

Well known around MHS is Mr. Marlin. As a friend or as an Ass't Principal, he can't be beat in the opinion of most of the students. He holds meetings, makes announcements, "peps up" pep sessions, is the girls' coach, frowns upon "bad" boys and cries at graduation.

Our able and efficient secretary. Her laugh and smile are familiar.... "Give her a typewriter, a telephone, and a problem; and she's content. Let the office become noisy and she's very "disturbed." Being the office secretary means real work.

ECHO STAFF

We are honored to try to bind together dear memories for you and give them to you with our best wishes in the Campus Echo. We are striving to capture in these pages the smiles and the tears, the hard work and the word symbols that will, now and in years to come, call to memory all the events of this year.

BETA CLUB

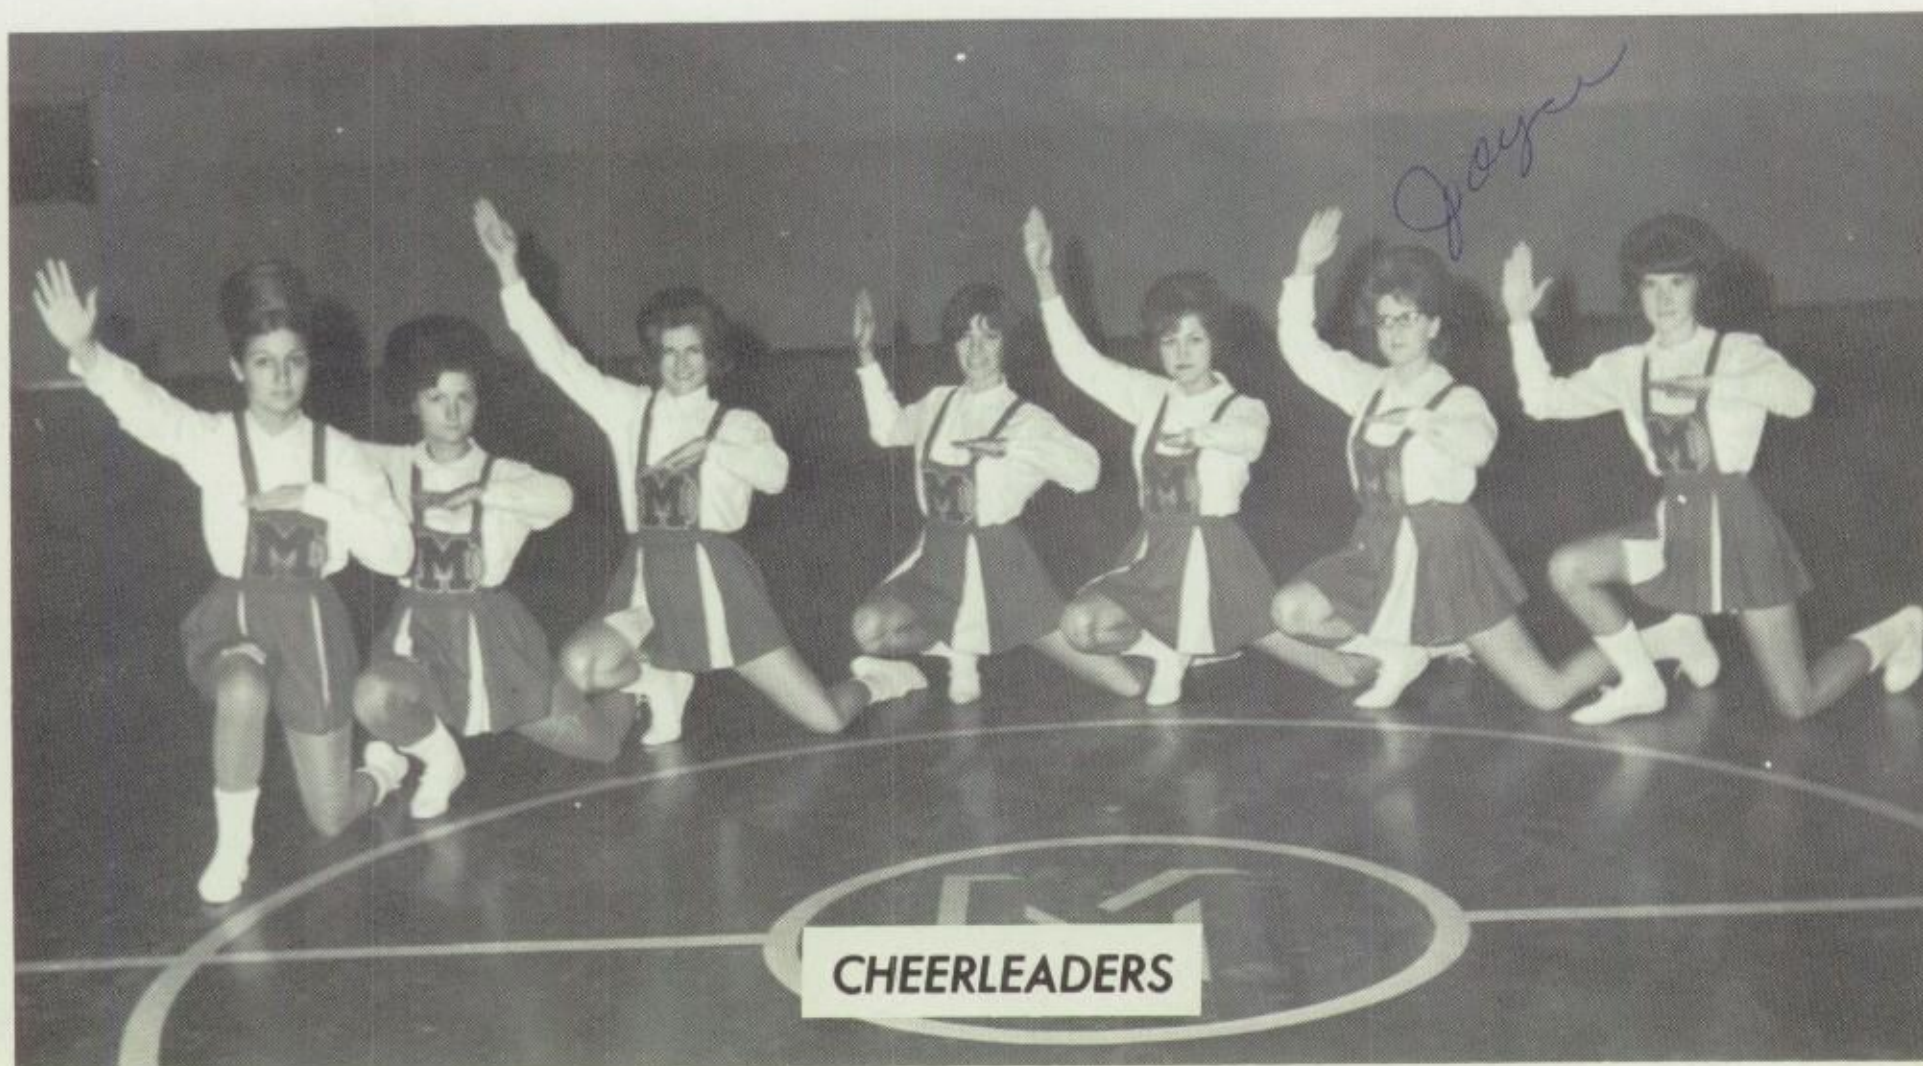

The Beta club is a National Honorary society for high school students who show good mentality and character, creditable achievement, and a commendable attitude.

The student council is composed of leaders of the different classes who strive to bring about better cooperation between students and teachers.

In the early part of August, the football players selected the cheerleaders for the ensuing year. The girls, in accepting their responsibility, went on to prove themselves worthy of their selection. They followed the team through thick and thin; and win or lose, they were there encouraging them on until the final decision.

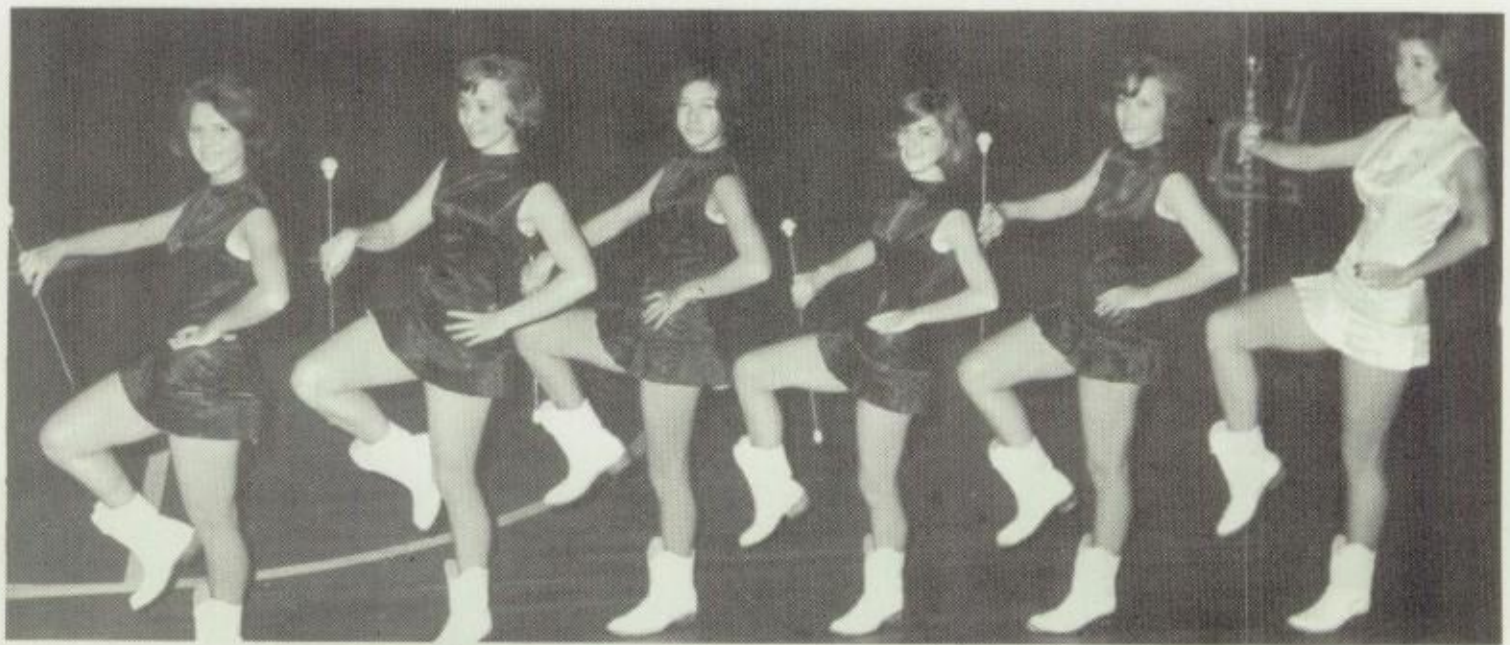

MUSTANG BAND

The MHS Band has had a most successful year under the direction of Bob Mackey. Presenting half-time shows at football games as well as playing and marching in Christmas Parades. The Band has contributed much to our school spirit. The highlight of the year has been the trip to Greenwood.
